This award-winning office tower soars 60 stories above Peachtree Street in the heart of downtown Atlanta. Situated at the northern end of the Peachtree Center complex, it is a premier location for corporate professionals. Positioned in an urban park setting, it offers a broad array of amenities, restaurants, a world-class conference center and an art gallery. Every floor is articulated to provide 36 corner offices, making it an ideal headquarters for SunTrust Bank, and home to several large corporate law firms and professional services companies. A future office expansion is planned for the complex.
