Some of the landmark projects that have been developed utilizing John Portman & Associates' design services include:

- **Embarcadero Center**, San Francisco, California
- **New York Marriott Marquis**, New York, New York
- **Peachtree Center**, Atlanta, Georgia
- **Shanghai Centre**, Shanghai, China
- **SunTrust Plaza**, Atlanta, Georgia
- **Westin Charlotte**, Charlotte, North Carolina
- **Westin Warsaw**, Warsaw, Poland

One of Portman Holdings' key business assets is an association with **John Portman & Associates**, our architectural affiliate. We are comfortable interfacing with architects and engineers because we do it every day, and, in fact, have done it for decades. The beneficial relationship between our development company and architectural studio affords the unique capability to create both the concept vision and development execution in a seamless way which produces world class investments.

By combining architectural knowledge, on-the-job experience, broad perspective and strategic development knowledge under one roof, we provide you with instant access to experts and information for every facet of your project or vision. Not only does this save time and money, but it affords a distinct advantage: you'll never have to wait for an answer from Portman Holdings.
