

RISK MANAGEMENT

DEFINING the SKY®

Our Risk Management services include:

- Insurance Management
- Claims Management
- Employee Benefits and Retirement Plans
- Workers' Compensation
- Special Projects

A proactive approach, 25 years of experience and long-standing partnerships are the cornerstones of Portman's Risk Management services. Our extensive knowledge of risk management and insurance trends in a dynamic, global market environment is complemented by strong relationships with the major insurance agents, brokers and underwriters around the world. This allows us to quickly identify and assess specific exposure issues, then customize a solution that attains both your business and budget objectives.

Portman Holdings offers Risk Management services in conjunction with development projects, or independently to third-party firms.
